A full description of the proposed development must be attached, including all required and relevant engineering studies, engineer's seals, and signatures on plans. If applicant is other than the property owner a *Letter of Authorization* from the property owner must be submitted at the time of application.

A permit from the City of Leon Valley is necessary to allow development in a designated floodplain or floodway. The requirements for documents to be submitted with this application widely vary, but are set out in Chapter 3 of the Leon Valley Code of Ordinances, "Flood Damage Prevention." Documents must be sufficient to offer proof that the development regulations set forth in Chapter 3 are being complied with in full. A copy of the City Code, Chapter 3, is available at: <http://z2codes.franklinlegal.net/franklin/Z2Browser2.html?showset=leonvalleyset>

The definition of a "development" is set forth in Chapter 3.03.002 of the Code as required by the National Flood Insurance Program administered by the Federal Emergency Management Agency (FEMA).
